

TOWN OF ENFIELD E-NEWSLETTER
SEPTEMBER 2017
(INAUGURAL EDITION)

TOWN MANAGER WELCOME MESSAGE

Greetings!

Municipal officials and staff in the Town of Enfield are dedicated to promoting a high-functioning and close-knit community that appeals to all our residents and visitors. To this end, we are committed to providing accurate information and quality services to members of our community at all times. In the interest of helping to keep residents informed of important “goings on” in town, we will begin producing a town-wide newsletter that will be disseminated by email on a monthly basis to all individuals who subscribe to the mailing list. Our hope is that the number of recipients on this list will continue to grow over time to ensure that most households receive these important updates.

If you have friends or family that may be interested in receiving the electronic newsletter, please forward a copy of this newsletter to them.

Subscribing to the electronic newsletter is easy and straightforward. You simply have to:

- Go to the below page on the town’s website:
<http://enfieldnh.vt-s.net/Subscriber>
- Enter your email address in the “Your Email” field
- Check the box for “Town News” under the News & Announcements sub-section
- Click the “Send My Request” navigation button at the bottom of the page

Thank you for being a part of our community. We hope you find this and future newsletters both informative and enjoyable. Please don’t hesitate to contact Ryan Aylesworth, Town Manager, at 603-442-5405 or raylesworth@enfield.nh.us, if you have constructive feedback on how the depth and breadth of information provided in the newsletter can be optimized to meet the needs of our residents.

ENFIELD LAUNCHES OFFICIAL FACEBOOK PAGE!

The Town of Enfield has launched an official Facebook page (“Town of Enfield, New Hampshire”) that can be accessed at the following web link:

www.facebook.com/EnfieldNH

This page will be maintained by town officials and be used to help disseminate important updates about community affairs and alert residents when new/detailed information is available on the Town's website (www.enfield.nh.us). We hope you will "Like" this page and start receiving regular updates on your Facebook news feed!

FROM THE DEPARTMENT OF PUBLIC WORKS

Hydrant Flushing

Hydrant flushing will begin in September. The Town routinely flushes water from the system to improve water quality and test emergency fire hydrant readiness. If you experience a loss of pressure it should only be temporary. Please wait 30 minutes before contacting the Town. This does not pertain to properties on NH Rte 4A and in Shaker Village that are serviced by sewer only.

Main Street/Underpass Project

Town of Enfield staff recently attended the final walkthrough of the State of NH DOT Underpass project. This project is a scaled down version of the original work that was scheduled to be done as part of the Shaker Bridge project. After several years of exploring different options and a historical rail corridor designation, the project was put out to bid with the intention of accomplishing several goals. This first goal was to improve drainage in the underpass by grinding the existing pavement, adding gravel and regrading the surface, and applying new pavement. A new catch basin was added to the existing drain pipe. This work also resulted in two to three more inches of underpass clearance. The second goal was the narrowing of the "bypass road" and the addition of a sidewalk. This bypass road will be restricted to emergency vehicles only. The third goal was to improve the parking area surfaces. Finally, the fourth goal was the addition of landscaping for aesthetics and to prevent parking on the lake side of the parking area.

Route 4A Sewer Extension Project

The sewer extension project along Route 4A (beginning at Landing Road and extending to Lakeview Condos) is well underway. Equipment and materials were mobilized in mid-July and site preparation and directional drilling began shortly thereafter. At this time, over 3,500 feet of pipe has been installed along Route 4A, and the remaining 4,000 feet of pipe will be installed by September 15. The onsite gravity sewers and pump station are also under construction. At this time we still anticipate the project will be substantially complete by late-December.

The purpose of the sewer extension project is to provide an immediate and long-term solution to the sanitary sewage problem that Lakeview faces, as well as eliminate the risk posed to the surrounding environment and public safety concerns, by extending the municipal sewer service to include the Lakeview property. The project is being funded through a combination of loans administered by the USDA and State Revolving Fund (SRF), and grants administered by the USDA. Although the funds are being borrowed by the Town, all long-term debt service costs will ultimately be recovered from Lakeview in the form of assessments that will be mailed out semi-annually in conjunction with (but separately from) property tax bills.

Roadside construction of this nature imparts certain unavoidable traffic delays, noise, dust, and other relatively short-term inconveniences. All construction activities are being conducted in accordance with pertinent state law and Town ordinances and regulations. We appreciate everyone's understanding and patience while this important project is being completed.

Road Paving

This past month, asphalt overlays were applied to multiple sections of Lockehaven Road (totaling 2.1 road miles) as well as the full extents of Alfano Drive and Anthony Court. We do not anticipate additional paving will be scheduled this construction season other than some minor grader shimming on Crystal Lake Road, Old Route 10 and Shaker Boulevard.

Lovejoy Brook Bridge Reopens

The Town of Enfield and Hansen Bridge recently replaced two culverts with a bridge on Lovejoy Brook Road using federal funds from the FEMA Hazard Mitigation Grant program. The program supplied 75% of the funds needed to build the bridge with the Town provided a 25% match. By replacing the culverts with a bridge, the water that once backed up and flooded the road and neighboring properties will be able to pass through the new open channel. This new design conveys ecological benefits in the form of improved fish passage. Part of the scope of work included removing road gravel from the brook that had washed in during previous flood events.

Transfer Station Hours

The Enfield Transfer Station will be ending its summer hours Sunday, September 10. After September 10, the hours will be Wednesdays 11:00AM-6:00PM, and Thursdays, Fridays and Saturdays 8:00AM-4:00PM.

Roadside Mowing

The Enfield Highway Department began mowing roadsides throughout town in late-August and this will continue over the course of the next week.

Household Hazardous Waste Collection – It’s Not Too Late!

Although three of the four hazardous waste collection dates in our area have come and gone, there is still one more date left in 2017! That date is **October 21 (Saturday) from 9:00 AM to noon at the Lebanon Waste Facility (370 Plainfield Rd [Rt 12A South])**. If you have hazardous waste and you don’t take advantage of this final collection date you won’t have another opportunity to safely dispose of the waste until next spring. Mark your calendar!

Items that can be disposed of at the site include (but are not limited to) the following: pesticides, herbicides, flea powder, antifreeze, dirty gas & kerosene, adhesives & driveway sealer, mercury thermostats & thermometers, household cleaners & polishes, hobby & pool chemicals, oil-based paint (not latex!), solvents, varnishes, stains, batteries (button, ni-cad, lithium, and rechargeable), and smoke detectors.

Items that cannot be disposed of at the site include (but are not limited to) the following:

Alkaline batteries: Most non-rechargeable batteries such as AA, AAA, C, D, and 9-volt batteries are trash in NH. If in doubt, just bring to collection.

Ammunition and explosives: Contact local police or fire.

Asbestos: Contact NH DES at 271-1370 for disposal info. Ask if a private hauler is working in your area who might take your asbestos.

Automotive batteries: Take to parts store for cash back or your transfer station

Empty aerosol cans: Can be recycled with scrap metal. Talk to your town.

Fluorescent lights: May be taken at your town facility. Check with your town.

Food Co-ops and Home Depot may take CFLs (spiral bulbs), not tubes.

Latex paint: Use kitty litter, sawdust, or shredded paper to dry out latex paint, then throw in your trash. Empty, dry metal cans may be recycled as scrap metal at your recycling facility. If it says “clean up with soap and water,” it’s latex.

Medicine: See www.twinstatesafemeds.com for police stations taking meds.

Medical sharps: Place in a rigid container such as a detergent bottle with cap, seal cap with duct tape, and label container with marker, “Sharps, not for recycling.” Dispose of with regular trash by handing to a waste collector. See www.nh.gov/medsafety (Can also now drop off at Lebanon Police Station)

Propane or helium tanks and fire extinguishers: Propane can be exchanged or refilled at a distributor; or contact town transfer station about empty tanks.

Spray insulation tanks: Empty before taking to transfer station for scrap.

Used motor oil: Take to town transfer station or a garage for recycling.

For more information, please visit the Upper Valley Lake Sunapee Regional

Planning Commission website → <http://www.uvlsrpc.org>

It should be noted that this service is FREE to residents from Claremont, Cornish, Enfield, Goshen, Hanover, Lebanon, Lempster, Lyme, New London, Newbury, Newport, Orford, Piermont, Plainfield, Springfield, Sunapee, Unity, Washington, and Wilmot. Others residents and businesses are welcome, but will be assessed a fee. Businesses and ANYONE with 25 gallons or more must pre-register 3 WEEKS IN ADVANCE.

FROM THE POLICE DEPARTMENT

Narcotics Investigations

The Enfield Police Department conducted several narcotic investigations over the summer. The cases focused on individuals selling heroin. These investigations are very complex and require a coordinated and regional response; we applied for a state grant to work with the Lebanon and Canaan Police Departments over the next year in an effort to reduce the flow of these deadly drugs into our communities. We continue to maintain a visible presence on the streets to prevent thefts. Most addicts spend anywhere from \$500-\$1000 per week on their drugs. Thefts are one of multiple ways they are able to support their habit. We also need your help. If you see someone or something suspicious please call us immediately.

Speeding

Complaints of speeding vehicles continue to be an issue. We have deployed our radar trailer as well as patrols to help bring attention to motorists speed. Most of the complaints take place on our neighborhood streets. Please be mindful of your speed and respect your neighbors concerns.

If you have questions or concerns about matters related to public safety in our community, please don't hesitate to contact the Police Chief at 603-632-7501 or rcrate@enfield.nh.us.

VOLUNTEER OPPORTUNITIES!

Do you want to become more involved in your community? Then you're in luck! Several volunteer positions are open. You can access our Application for Committee Membership here:

http://enfieldnh.vt-net/Pages/EnfieldNH_Manager/MiscDocs/MembershipApp.pdf

Do you love our wide selection of recreation programs for children and adults alike? Then join our **Recreation Commission!** We currently have two openings. This group works with the Enfield Recreation Director, Katherine Lary Jopek, to develop a wide variety of recreation programs for residents of all ages. The Recreation Commission meets the third Tuesday of each month in the Whitney Hall conference room in the Enfield Town Offices. Check our Town Calendar for meeting times as they are trying out a new earlier time – 6 PM! You can see what the committee has been up to on their webpage here: http://www.enfield.nh.us/Pages/EnfieldNH_Bcomm/RecCom/index

Kati Jopek also serves as the Mascoma Valley Regional Recreation Coordinator. You can check out the publication of regional events in the 2017 Spring/Summer issue of *Play Mascoma Valley!* Here: http://www.enfield.nh.us/Pages/EnfieldNH_Bcomm/RecCom/mvalleyrec/Spring_Summer2017forweb.pdf

Look for the 2017-2018 Fall/Winter issue of *Play Mascoma Valley!* online in mid-September. Printed copies will be available by October. Also, be sure to check out <https://mvpr.recdesk.com/Community/Program> for the recreation programs we now have with ONLINE REGISTRATION!

Do your interests lie in economic development? Then the **Tax Increment Finance District Advisory Committee** may be for you. This committee currently has two openings for a five member committee. Applicants for this committee must live within the Enfield TIF District or immediately adjacent to it or own a business in the TIF District. This committee, advisory to the Board of Selectmen, is charged with maintenance and implementation of the District Plan. The TIF Committee meets on an as needed basis, generally less than once a month, at the convenience of its members.

Or perhaps your interests lean toward Planning and Zoning. They are both judicial bodies that have the responsibility to judge if new Subdivisions and business Site Plans meet the Town Zoning Ordinance. We have one opening for a **Planning Board alternate** and two openings for **Zoning Board of Adjustment alternates**. The Planning Board's regular meeting schedule is the second and fourth Wednesday of each month, however they'll meet just once a month if there is not enough business to warrant two meetings. Meetings of the Zoning Board of Adjustment are the second Tuesday of each month if there is business.

Release your inner party planner! Join our **Old Home Days Committee!** Many hands make light work! This group organizes our annual Old Home Days Celebration which takes place the last full weekend of July. The Old Home Days Committee meets the first Wednesday of each month from January – July at 5:30 PM, with a couple of additional meetings in June and July as

needed to prepare for the festivities. Check out the wide array of entertaining events held in 2017:

http://enfieldnh.vt-s.net/Pages/EnfieldNH_Bcomm/Oldhomedays/OHDFlyer2017.pdf

Is the preservation of our natural resources a cause that is near and dear to your heart? Then perhaps you'd like to join the **Conservation Commission!** The Commission has one opening. They meet the first Thursday of each month at 7 PM. Help make plans to preserve open space for wildlife, protect our watersheds, or provide education to others. A recent project of this commission was the development of the Harris Brook Scenic Area. Check it out!

http://enfieldnh.vt-s.net/Pages/EnfieldNH_Bcomm/ConCom/HarrisBrook

ANNUAL ENFIELD MUNICIPAL CALENDAR PHOTO CONTEST!

The Town is again holding its annual photo contest for the 2018 Enfield Municipal Calendar! We welcome participants of all ages! Any member of the Enfield Community (individuals who live in or own property in Enfield, or business owners who have their primary place of business in Enfield) may submit up to 10 photos each. Photos must be about this beautiful town we live in – Enfield, New Hampshire – about people who live here, or events that have taken place in our community. We do give preference to photos of a Municipal location, building or event for the **cover photo** – a very prestigious location if you ask us! So send in those photos!

Email digital photos to abonnette@enfield.nh.us or stop in with original photos, a CD, USB flash drive or memory card. We can scan or download your photos and return them to you immediately! (This service is not available September 15 -25.)

Please take the time to read our complete Photo Contest Rules which can be found on the Town's website here:

http://www.enfield.nh.us/Pages/EnfieldNH_Manager/MiscDocs/PCR2017.pdf

ASSESSING DATA COLLECTION

Assessing Data Collectors have been visiting a certain number of properties over the past month to verify information on property record cards and note any changes in the status of the properties. Approximately one quarter of the properties in Town are visited each year as part of our cyclical assessment program. The annual cyclical work is expected to be completed by November 1st. Any changes will be entered into the Assessing Computer Program after

the final tax bills are issued and will be reflected in the 2018 1st issue tax bills. A town-wide revaluation takes place every 5 years. The next revaluation is scheduled for 2019. During that process a sales analysis will be completed, base rates will be updated and applied to all parcels within the Town.

Our new practice, beginning in 2017, is to mail a postcard notice to all residents who can expect a visit from one of our data collectors. The purpose of these visits is to make sure our property assessments are as up-to-date as possible to ensure fair and equitable taxation of property owners in our community.

FROM THE ENFIELD PUBLIC LIBRARY

Summer Recap

We had another successful Summer Reading program this year with 46 adults and 55 children participating. This year's theme was Build A Better World and throughout July and August we offered programs related to that including making a logo t-shirt, story time, Toys From Trash crafts, and Reader's Theater. Our big finale was having ScienceTellers at the Community Building. They used kids from the audience to do science experiments to tell the story about pirates lost at sea.

Coming Up

With the beginning of a new school year we will once again have classes from Enfield Village School visiting us. We tell them a story, show them how to use the library, and answer their questions (my favorite so far: we told them that the library had been built in 1901 making it 115 years old and one kid wanted to know if people lived that long!). October 4 at 7:00PM in the Community Building we will have Hampstead Stage perform Frankenstein.

Did You Know?

- We serve an average of 1,100 people every month!
- We offer passes for free or discounted admission to the following museums: VINS, Billings Farm, The Fort at No. 4, and the Enfield Shaker Museum.
- Prefer ebooks or like to listen to audio books on that long drive? You can borrow over 9,000 ebooks and 7,000 audio books using your library card and the NH Downloadable Books (Overdrive) system. Call and ask us how!
- We have weekly story times for babies up to age 5. Check our website for times and details!

- Our knitting group meets every Wednesday from 10:30AM-noon.
- Our book group meets the last Thursday of the month at 6:30p. The book for September is *Bruno, Chief of Police* by Martin Walker.

Have questions about the public library? If so, please visit the library's website (<http://www.enfieldtownlibrary.org/>) or contact the Library Director at 603-632-7145 or mHUDSON@enfield.nh.us for assistance.

RECREATION UPDATE

Huse Park Playground

Unfortunately, the playground structure at Huse Park has been temporarily closed as a result of structural deficiencies. The Enfield Recreation Commission and the Department of Public Works will be developing a plan to replace the current structure. We know how much the playground is enjoyed by our community and we apologize that it will not be available for use for the rest of the season. We appreciate your understanding about the playground closure. We intend to use the fall and winter months to research replacement playground apparatus, as well as possible grants and funding to help us install an even better playground!

Summer Programs

The Enfield Recreation Commission and Mascoma Valley Parks & Recreation (MVPR) had a fun filled summer full of great activities for children and adults. We also launched our new online registration capability for some of our summer programs. If you have not already created an account with us, please check out our new site and make an account for you and your family!

New site: <https://mvpr.recdesk.com/Community/Home>

Enfield Recreation Camp, a day camp for children in K-6th grade, started July 3rd and finished on August 4th, offering 5-weeks of camp activities. Each week was a different theme, and campers had a great time with the *Animal*, *Sports* and *World* themed games and events for those particular weeks. Camp averaged 26 campers in the morning (9am-12pm) and averaged 11 full day campers who participated in both morning and the afternoon (9am-4:30pm). This summer was also the first time the "Counselor In Training" Program was offered to children in 7th-9th grade and we had six students participate this summer. The camp also attended a two-day cooking program at the Lebanon Co-Op during Week 2 of camp and during Week 3, the afternoon campers were brought to Shakoma Beach for swim lessons.

The Enfield Recreation Commission focused efforts to maintain and improve safety at our town beach. Our lifeguards participated in a mid-season training at the beach in order to practice rescue scenarios, CPR/First Aid skills and also to improve their ability to work as a team. The Recreation Commission also hired Red Cross certified swim instructors to offer swim lessons again at Shakoma Beach and over 40 children participated between the two sessions.

In the spring, Mascoma Valley Parks & Recreation offered an Adult Woodworking Class at Mascoma High School in conjunction with the Mascoma woodshop teacher and taught in the woodshop classroom. We had six adults sign up for a 6-week class that met two nights a week (12 total classes). Students learned to make wooden snowmen, pens, wooden boxes and more. We hope to offer another similar class again soon!

MVPR collaborated with Challenger Sports to offer the weeklong “British Soccer Camp” at Shaker Recreation Fields the third week of July. We had 39 boys and girls sign up for camp! MVPR also brought in Children’s Stage Adventures for the second summer to offer a Theatre Camp the second week of August. This year, 32 children signed up and in a single week learned lines, songs and dances to put on two performances of “*Oliver Twist, An Original Musical Adaptation*” at the Mascoma Community Auditorium. Enfield TV filmed the performances and made it possible for us to have DVD copies made at the Movie Market for friends and family to purchase.

The Summer Sailing Program in collaboration with the Mascoma Sailing Club made it possible for 10 children to learn the basics of sailing on Mascoma Lake, and Chair Yoga continued at the Enfield Community Building on Mondays, Wednesdays and Fridays from 9:30-10:30am and we had anywhere from 10-20 participants. An additional morning yoga class was added on Thursdays at the Enfield Community Building from 9am-10am, and it will continue through the fall but will meet from 8:30-9:30am instead.

The 5th Annual “4 for the 4th” Road Race, Walk and Kid’s Fun Run took place on Saturday, July 8th in Canaan and drew over 30 people to celebrate Independence Day with a 4-mile run, 1.5 mile walk or an obstacle course for children under age 10. This event is a fundraiser for MVPR as well as the Canaan Masonic Lodge (Social-Summit Lodge #50) to help raise money for their charitable works (scholarships for graduation seniors, donations to support youth swim lessons and more).

MVPR’s summer program offerings concluded with a round of “Pub” Trivia in partnership with the Canaan Town Library. On Tuesdays in August from 6:30-7:30pm community members were invited to their public library show off their knowledge of random facts. Some of the trivia categories included history, geography, theater and several miscellaneous topics as well. Look for future

rounds of trivia, put together a team and come enjoy some friendly competition!

Fall and Winter Programs and Activities

The Enfield Recreation Commission and Mascoma Valley Parks & Recreation have some great events and activities coming up this fall and winter! Below is a short list of our current and upcoming programs. For more details and online registration for some of our programs, please go to our new site <https://mvpr.recdesk.com/Community/Home>

Look for the Fall/Winter edition of *Play Mascoma Valley! Active Living, Recreation and Community Resource Guide* to come out soon!

Upcoming & Ongoing Recreation Events, Programs and Activities:

- Beginner Yoga Series, starting mid-September
- Mat Yoga, Thursdays from 8:30-9:30AM at the Enfield Community Building
- Indian River Cross Country and Track, for students in 5-8th grade
- Line Dancing, Thursdays starting September 7th at the Enfield Community Building from 5:10-6:10PM
- Mascoma Valley Guitar Orchestra, weekly rehearsals on Sundays at the Department of Public Works starting at 6:00pm
- Pre-School Dance, Thursdays starting September 7th at the Enfield Community Building from 10:00-10:45AM (for children ages 3-5)
- Children's Halloween Party on Tuesday, October 31st at the Union Street Fire Station from 5:00-7:00PM (during Trick-or-Treat hours)
- Indoor Field Hockey at Grantham Indoor (November - December 2017)
- Adult Volleyball, on Sundays at Mascoma High School from 5:00-7:00PM
- Adult Basketball, starting in October on Sundays at Mascoma High School from 10:00AM-12:00PM

Registration Opening Soon:

- Elementary Cross Country Skiing (January - February 2018)
 - For children in 1st - 4th grade
- Ski & Ride Program at Whaleback (January - February 2018)
 - For children in K - 12th grade

FROM THE BUILDING & FIRE INSPECTOR

One of the more frequently asked questions of the Building Inspector is "how do we maintain our private septic system?" and "how often do we do it?" The NH Department of Environmental Services (DES) has compiled a useful fact sheet which is available at:

<https://www.des.nh.gov/organization/commissioner/pip/factsheets/ssb/documents/ssb-13.pdf>

This helpful resource provides details on the workings and maintenance needs of your system. Included is a sheet to record the maintenance that has been performed. As always, if you have further questions do not hesitate to contact the Building Inspector at 603-632-4343 or pneily@enfield.nh.us for assistance.

With the current beautiful weather we are experiencing no one wants to think about the upcoming winter months, but now is the time to plan for the needed yearly maintenance that our heating equipment require. The National Fire Protection Association's (NFPA) "Heating Safety" fact sheet explains what is necessary to help prevent fires and safely operate our heating equipment. This is accessible at:

<http://www.nfpa.org/public-education/by-topic/top-causes-of-fire/heating/heating-safety-tips>

Please don't hesitate to contact the Fire Inspector at 603-632-4343 or pneily@enfield.nh.us with any questions.

FROM THE TOWN CLERK & TAX COLLECTOR

Town Clerk's Office

The Town Clerk's office remains busy, as always. The accounts receivable went over \$100,000 for the month of July for the first time ever, and if we remain on a par with last year should go over one million dollars for 2017, another first!

We are hoping to install another computer station in 2018 but will have to work within budget constraints.

The Department of Safety Motor Vehicle Division continues to add new rules and requirements, seemingly almost daily! There is a heightened awareness of fraud, resulting in the requirement to see your driver's license and have you sign all three copies of your registration (owner's copy, town clerk's copy, motor vehicle copy).

The City and Town Clerk's Association annual conference is being held this year September 6-8th. This means that we will be closed Monday, September 4th for Labor Day, open Tuesday the 5th, then closed Wednesday through Friday, the 6th to the 8th. The Clerk's office will reopen for normal business hours on Monday, September 11. We have to admit that this was very unfortunate scheduling on the Association's part. The Town Manager's Office cannot do motor vehicle registrations, nor can another town. Remember that

you may do motor vehicle renewals by mail. Thank you for bearing with us during this awkward time.

Starting October 1st vehicle inspection stickers will be affixed to the lower, driver side corner of a vehicle's windshield. This change was prompted by many newer model vehicles being equipped with crash avoidance technology located in the area where inspection stickers are currently affixed. The DMV has also redesigned the existing sticker in order to improve the current inspection sticker issuance process. The new inspection stickers will have both the month and year of expiration printed on them and will contain several new security features including a hologram backer. Certain vehicles, such as motorcycles, will continue to utilize the current inspection stickers.

There were twenty-one election law changes in 2017, most to do with voter registration forms and identity and domicile verification. Our next election isn't until Town Meeting in March 2018.

Tax Collector Office

Tax collection rates are on track with previous years. Approximately 95% of tax payments have been collected with 1st-issue bills (which were due July 1).

SEPTEMBER PUBLIC MEETINGS (SCHEDULE SUBJECT TO CHANGE)

- September 5 @ 6:00 PM (DPW Building) – Board of Selectmen
- September 6 @ 6:30 PM (DPW Building) – Budget Committee
- September 7 @ 7:00 PM (DPW Building) – Conservation Commission
- September 11 @ 6:00 PM (DPW Building) – CIP Committee
- September 11 @ 6:00 PM (Town Hall) – Library Trustees
- September 13 @ 7:00 PM (DPW Building) – Planning Board
- September 18 @ 6:00 PM (DPW Building) – Board of Selectmen
- September 19 @ 6:00 PM (Town Hall) – Recreation Commission
- September 25 @ 6:00 PM (DPW Building) – CIP Committee
- September 27 @ 7:00 PM (DPW Building) – Planning Board
- September 28 @ 4:30 PM (Town Hall) – Heritage Commission
- October 2 @ 6:00 PM (DPW Building) – Board of Selectmen
- October 5 @ 7:00 PM (DPW Building) – Conservation Commission

UPCOMING COMMUNITY EVENTS (SCHEDULE SUBJECT TO CHANGE)

- Every Tuesday (Enfield Community Building) – Bingo hosted by Firefighter's Association. Doors open at 4:00 PM, games begin at 6:30 PM. Cards begin at \$20. Optional dinner (a wonderfully homemade

meal) is served at 5:00 PM at a cost of \$6 (dinner includes an entrée, beverage and dessert).

- September 21 from 12:00-1:30 PM (Enfield Community Building)- Lion's Club Senior Dinner
- September 30 from 5:00-6:30 PM (Enfield Community Building) - Lioness Roast Pork & Harvest Vegetable Dinner (\$12 for adults, \$10 for seniors age 65+, \$5 for children under age 12. All proceeds benefit community projects).

If you have friends or family that may be interested in receiving the electronic newsletter, please forward a copy of this newsletter to them.

Subscribing to the electronic newsletter is easy and straightforward. You simply have to:

- **Go to the below page on the town's website:**
<http://enfieldnh.vt-s.net/Subscriber>
- **Enter your email address in the "Your Email" field**
- **Check the box for "Town News" under the News & Announcements sub-section**
- **Click the "Send My Request" navigation button at the bottom of the page**
