

Zoning Board of Adjustment  
Enfield, New Hampshire

**SIGN PERMIT APPLICATION**

**Instructions**

1. Read over the sign regulations in the Enfield Zoning Ordinance (Article IV, Section 408) and/or meet with the Planning/Zoning Administrator to be sure that the sign you are planning to erect is permitted.
2. Fill out the information below.
3. Supply two (2) sketches:
  - a. One sketch showing the signs and its dimensions
  - b. One sketch showing the location of the sign on the property:
    - If the sign is free-standing, show the distance of the sign from the street lot line and from the nearest side lot line
    - If the sign is building-mounted, show the location of the sign on the building and the length of the building frontage on the right-of-way.
4. Submit this application to the Planning/Zoning Administrator with the required fees (see the Zoning Board of Adjustment fee schedule).
