

Enfield Cemetery Trustees
Regular Monthly Meeting
October 11, 2018

Present : Gordon Clough, Fred Williamson, Will Shoemaker
Absent : Don Crate

Fred called today's meeting, held at the Enfield Center Cemetery, to order at 2:00 PM.

Richard Henderson Memorial

In spite of the rain, a small group gathered to recognize the lifetime contributions of Richard Henderson, cemetery trustee who died in 2016 after many years of service and accomplishments. Two of his children were present to see the commemorating of an inscribed granite stone which will be placed just outside the entrance to the cemetery for all to see. Mary Quintana, a longtime Cemetery Trustee with "Hendy" was also in attendance, and recounted some of his qualities and interests. He is definitely missed.

The ceremony concluded at 2:30, at which time the regular trustees meeting began.

Countryside Cemetery Project - Completed

Gordon reported that the brick walkway had been completed. Will filled in the details, indicating his approval of the quality of the final product. Gordon mentioned that some sort of structure providing niches might be an option to explore in the future.

2019 Budget

Fred indicated that he had submitted the 2019 budget request for \$7,100.

Will indicated that speaking in support of adding back the full time laborer at a Budget Committee meeting would probably be construed as a Cemetery Trustees Meeting and needed to be formally warned and documented.

Bruce Smith Burial Request

Fred indicated that he and Will had met with Pat Jackman to discuss a request from her cousin, Bruce Smith, that he be buried with his grandfather, Henry Smith, in Montcalm Cemetery. Fred and Will reviewed the well-marked Smith plot, determining that there was more than enough room to accommodate the request. As Pat Jackman is Bruce's cousin, and Fred had corresponded with

Bruce some ten years ago, the request appeared to be in order. Bruce lives elsewhere and could not present his request in person, which is why Pat made the request on his behalf.

Fred motioned that the request be approved, and that Will prepare a deed for Mr. Smith. Gordon seconded and the motion passed.

Pat Jackman will be notified of the Trustees' decision.

Meeting Adjourned at 3:00 PM.

Respectfully submitted - FEW
