

Enfield Conservation Commission  
October 1, 2020 Agenda

**7:00PM:** Call meeting to order via zoom

**Attendance:** Members on the Commission will be recorded as present if logged into site

**Minutes:** Approval of September minutes

**Updates:** No correspondence on Crystal Lake Complaint for Map#46, Lot#16  
Conservation website was updated, vernal pool inventory is now current to include 2020, Big Trees of Enfield was added, and Loon Log on Harris Brook was added.

**Natural Resource Inventory:** Strickland had 2005 NRI Maps printed. There are six maps, wetlands, watershed and aquifers, un-fragmented riparian, steep slopes and farmland, softwoods and openings, and conservation lands. How to proceed with update?

**Proposed:** NRI top six lots of high conservation value:

1. Map#34, Lot#113, Three Acre Island
2. Map#9-A, Lot#6, George Pond shoreline
3. Map#7, Lot#21, Jim Petryk, Lakeview
4. Map#9, Lot#52, Bicknell Brook, Crump)
5. Map#16, Lot#12, Kovacs Trustee, Mud Pond
6. Map#12, Lot#34, Bicknell Brook, mouth at Crystal Lake, Flynn

**Three Acre Island:** Steps to identify ownership

**Correspondence:** DES Notice of Acceptance of Shoreland Permit Application for Map#22, Lot#26, Foster Circle, Mascoma Lake

State of NH DEPT of Natural and Cultural Resources, Division of Forest and Lands to Town of Enfield to notify logging on 119 acres of the Henry Laramie Wildlife Management Area off Smith Pond Road for the purpose of improving wildlife habitat.

**Intent to cut:** None

**Adjourn**
