Correspondence: DES to Andrew and Theresa Pettola, map#46, lot#16, Crystal Lake Road, regarding site inspection:

1. Vegetation was significantly removed within the Waterfront Buffer Zone beyond permissible limits. In addition, the duff layer and all natural groundcover in this area had been covered with landscaping bark-mulch, which is a violation. Some vegetation in this area also appeared to have been targeted with herbicides, which is a violation.
2. Vegetation (trees, shrubs, and groundcover were removed from the Natural Woodland Buffer Zone, leaving less than the requirement, which is a violation.
3. Wharfs: Since 2017 two wharfs have been constructed in the bank of Crystal Lake without a permit or proper authorization from DES, which is a violation.
4. A floating jet-ski lift has also been installed without a permit or proper authorization from DES, which is a violation.

In response, DES request the following:

1. Immediately remove the unpermitted floating jet-ski lift from the water.

2. By January 25, 2021 please retain a qualified environmental consultant and notify DES the name and address.
3. By February 28, 2021 please submit a shoreland restoration plan to DES
4. Removal of the two wharfs.
5. If compliance is not achieved within this period, DES may take further action. DES personnel may re-inspect the property for compliance.
6. DES to Lisa Degeorge, Map#22, Lot#26, Foster Circle, Mascoma Lake for Shoreland Permit Application amended to impact 7330 square foot of protected shoreland in order to remove the primary structure with two (2) decks, replace the waterline, and install a septic system. Application was approved with amended impact.

Budget: review. Check for \$1,250.00 from Town of Enfield to be deposited in Conservation Fund.

Chairman, vice chairman of the Commission: Review of positions.
