

**Enfield Conservation Commission Meeting  
May 6, 2021 Agenda**

**7:00 pm:** Call meeting to order via zoom.

**Attendance:** Members on the Commission will be recorded as present, if logged into site.  
Current Members: Shirley Green, Sue Hagerman, Dolores Struckhoff, Terry Terry, Jerold Theis, and John Welenc.

**Minutes:** Approval of April minutes.

**New Business:** With Alan's resignation, the Commission will discuss and elect new officers: Chair, potentially a Vice Chair, Secretary and Treasurer. We should also discuss new members (seven members maximum, therefore, we can add one more and alternates, not sure of this number).

Once finalized, the meeting will proceed, led by the new Chair.

**Old Business:** Update on Cone/Town conflict as a result of the Conservation Commission's correspondence sent to the Board of Selectmen to review at their April 19 meeting.

Note: as of this agenda, Dolores Struckhoff followed up with the Assistant Town Manager, Alisa Bonnette, and Alisa responded that the Interim Town Manager, Jack Wozmak, will address this issue by sending a formal notice to the property owner regarding the violation before it can be enforced by the Police Department or State as applicable. DCS did let Alisa Bonnette know that this had happened at least once in the past.
