

Enfield Conservation Commission
September 5, 2019 Agenda

7:00PM: Call meeting to order

Approval of August minutes

Budget report: Expenses to date

Town Wildflower Painting and prints: Framed prints have been put in the DPW, Town office and Library. What to do with the original painting?

Park bench: A PBN Permit was needed to pour concrete slab. Strickland submitted permit to DES and permit was approved. Theis will oversee the concrete installation.

Moose Mountain Trail: Strickland has been working with Alv Elvestad and Linda Jones to try and find a safe and suitable access to this beloved trail. Many approaches have been considered, but the best option to date is about 800+feet through private property. Strickland sent letter to land owners, but to date there has been no response.

Correspondence:

DES to Joyce Winslow, Map#28, Lot#22, Mascoma Lake, Shoreland Impact Permit approved for 2300 sq ft for protected shoreland in order to install a pervious patio with steps and fire pit, rain garden, retaining wall and walkway.

UVLT to Conservation Commission to inform the Commission that Jeffrey Reed has donated a Trail and Parking Access Easement to the UVLT that will ensure that access on the western side of the UVLT's trailhead to Smith Pond remains open to the public.

Intent to Cut: None

Jerry Theis: Jerry has submitted two articles that he would like the Commission to review. He would like these articles posted on the Conservation website and submitted to the Selectboard.

Zoning Ordinances for the Town of Enfield, Article VI Conservation Management, changes for #600 preamble?

Adjourn
