

Enfield Energy Committee
Meeting Minutes, 1/12/16

Attending: Charlie Clark, Charlie DePuy, Kim Quirk, Holly West, Kurt Gotthardt, Alisa Bonnette, Jim Fenn, Wendell Smith (late)

- Minutes from the last meeting were approved.
- We would like to add Charlie Clark as an alternate
- Discussion of the Solar Ordinance - committee voted to back this warrant article unanimously. There can be amendments in a future year as we get feedback and people install more solar.
- Charlie DePuy will provide an intro to the ordinance; any of us can help with Q&A and support
- Charlie Clark spoke with Needham Electric about motion detectors for each string of lights in the bay. He suggests motion and heat detector for bathrooms and the mechanic shop (where someone might be working under a truck).
- Charlie suggests doing the offices first; the bays (not the mechanics shop) second; and then the mechanics shop and bathrooms
- Charlie will create a request for quotes on the job and put in a completion date. Then we can decide how much of it we can afford this year.
- Town Report discussion
- We made some changes to Charlie's write up for the report.
- Planning board meeting is tomorrow at 7pm at the DPW
- Voting (for the solar ordinance, election of officers, etc) is 3/4
- Town meeting is 3/12

Next meetings: April 12, July 12th, Oct 11
