

Enfield Energy Committee

April 27, 2021 Minutes

Members present: Charlie Clark, Jo-Ellen Courtney, Kim Quirk, Marta Ceroni, Gary Hutchins

Guest: Maynard Southard

Review of minutes from March 23

Charlie questioned the statement about flooding and the fire station/ambulance bay. Line will be deleted. Kim Q motioned to accept, Charlie seconded to accept. Motion passed.

Electric Vehicle resource Sustainable Hanover has been coordinating a list of Electric Vehicle Mentors. Do we want to do the same? Discussion ensued. Decision made to develop an EV webinar to provide basic information about EV and have a few current EV owners share about their direct experiences.

Kim will put together powerpoint for EV presentation with topics. Details will be flushed out at next meeting.

Community Power Aggregation

NH House Bill 315 folded into Senate Bill 91 which is still in House Science Technology and Energy committee.

Review CP information Kim will request access and use of Plainfield's presentation.

Roadmap to Community Power is holding several zoom meetings to provide opportunities for interested communities to become more familiar and supported in taking the next steps to join Community Power Coalition of NH.

DPW Updates

Charlie reported the last solar panel installed today! Possibility to be online by next week.

Liberty to do energy audit for Union Street Fire station. Audit cost of \$1,950 will be covered by Liberty Utilities.

Warrant article to approve a loan for maintenance of DPW building will be presented at Town Meeting May 1.

Master Plan input

Committee wants our input on specific topics.

Other

Sustainable Hanover will host their yearly forum at 12pm April 29. Clean Energy NH has inquired about what renewable energy sources are included in property tax exemption and how was passed via Town Meeting or Select Board. Charlie will research specifics.

Kim made motion to adjourn, Jo-Ellen Seconded. Motion approved. Meeting ended at 6:48 PM

Next meeting May 25th at 6:00PM
