

# CURBSIDE COLLECTION DAY

Please locate your street name to find your curbside collection day. Your trash and recycling will be collected every other week on the same day. Please reference the shaded week on your magnetic calendar to keep on schedule and save this sheet as a handy reminder of your collection day.

All locations that are serviced by dumpster will continue to be collected on Wednesday. Service locations for most residents will remain the same as the present placement of bagged trash, except as indicated below. Should you have any questions or require additional information, please call us at **(888) 483-2757**.
