Bid Review and Selection Criteria:

The Town of Enfield will select the “lowest and responsible bidder.” This does not mean that the vendor submitting the lowest priced proposal will automatically be awarded the bid. In addition to the purchase price, the Town of Enfield will consider criteria such as quality of the commodity, service reputation, suitability of the product for meeting the performance needs of the Town, and other factors that are relevant and appropriate in connection with the vehicle or material being procured.

Proposals will be accepted that deviate from the Scope of Work, but all such submissions must specifically state exceptions to the Scope of Work on their own page labeled “Exceptions.”
