**Approve March Minutes: Lori votes to approve, Stephanie second, all in favor**

**Recap of April Meeting (not on zoom)**

Scavenger hunt: Discussed apps (brought by Lori) and will pick one next month. Everyone will also send Amber a list of 3-4 suggested places or actions/photos prior to next month's meeting to map out the hunt.

Shaker Museum involvement: They are interested in participating. Kristin will see if a scavenger hunt location here can involve an activity (such as broom making or picking up craft kit)

Kristin reported that the Historical Society will allow self guided tours of the Lockehaven Schoolhouse following COVID guidelines.

Stephanie and Ron reported on the fishing derby. Steph and Ron will follow up with fish and game to finalize the plan.

Tracy has not had luck getting in touch with the PD about movie night, but plans to follow up with Emily Curtis. She will also reach out to Shannah Stone about Whaleback's involvement.

Kristin confirms that Cardigan Mountain Tradition is in for \$350 11:30PM-1:30PM. A vote for payment will take place at the May meeting.

Amber will reach out to both the Enfield Outing Club and dog park (both Deb Shope) and maybe add open house to program. Emails can be found in the old home days email account.

**Vote on paying Cardigan Mountain Tradition**

**Lori motions to pay them \$350, Shirley seconds, all are in favor**

Discussed scavenger hunt locations: 22 items were emailed to Amber and she shared with the group. All will be "take a picture with/of". The group added a couple more.

Everyone will find an app to download and discuss for next week.

Update on Movie Night: police department does not want to do it (sadface)

Whaleback is good to do a hike 9-11AM

Update on Fishing Derby: Stephanie and Ron update. Will do Mascoma Lake only. 11AM-1PM at Lakeside pavillion will be the registration. 15 and under and 16 and over categories. Combine length and weight of fish, highest number wins. Prize: Lori said Canaan st puts a bucket of fishing items together, or we can talk to Baited Hook to provide prizes with the hook logo. Amber will talk to the Baited Hook. Stephanie will fill out paperwork and send in to NH Fish and Game.

Enfield Market takes place 10-1 at Huse Park, perfect from our standpoint.

Amber is going to talk to Vicki Pellerin about a Bingo night and moving it to Huse Park for OHD.

Amber will follow up with Dog Park and Deb Shope.

Conservation Hike will be at 3PM.

Kristin will follow up with Methodist Church about pulled pork and Shaker museum for workshops, etc.
