Finalize Schedule

Lori asked for a schedule of events to be sent out. Stephanie said she or Kristin would send something out soon.

The Whaleback event had a time change and will be from 8-10am. Jamie Valley (contact person).

No news on a Friday evening event. Lori suggested we wait to see how the town votes on the mask ordinance on 6/7 before we try to come up with more ideas.

Advertising Assignments:

Facebook: Stephanie changed the banner on Facebook with this year's date. Lori and Stephanie will work on creating events. We will use the events created in the past and just change the dates and times as needed. Lori thought keeping the same images used in the past would be helpful. Facebook and Instagram are linked now so we can post to both at the same time.

Listserv – Kristin was not at the meeting, but it was suggested she post to listserv since she has done such a good job in the past.

All agreed to send a save the date to listserv.

Lori will put out a banner outside of Enfield House of Pizza, but not until after the Enfield Family Fair (this is the usual protocol).

Valley News Stephanie will work on submitting events.
