I've had an email conversation with Lori Bliss, who is one of the Co-coaches on the Tiger Run. She said in the past it typically is the last weekend in October around Halloween. Last year it was Sunday, October 31. They have two organizations, Positive Tracks with their Sweat for Good Campaign and the Upper Valley Runners Club who support them in all aspects of the run. There is a 5K and 12K. The 12K is supported by the Upper Valley Runners Club. Should we have our OHD on the same weekend, I have offered to include them in our schedule.
