Enfield Recreation logo update

There has been discussion about creating a new logo or design to represent the Enfield Recreation Department. The Town Manager has recommended holding off at this time as he is proposing the development of a new town-wide logo, which could represent all departments and be adapted to have each department name. He stated he was looking for ideas and members to discuss what they would think of to represent the Town of Enfield logo to be shared at a future ad hoc Branding Committee meeting.

Ideas shared by Commission members: Lake and bridge; loon or bald eagle; readability is important

Review updates regarding Recreation Director Position

Interviews for the Recreation Director position are ongoing, with the hopes of having a final candidate in the coming week. Updates will be brought to the next meeting.

Upcoming Recreation Events

Ms. Stewart stated that the Lioness group is planning to have pre-made baked goods to buy on the 16th, the Saturday before Easter and inquired about recreation coordinating with the timing of the event. Ms. Stewart offered to coordinate contact between the Lioness group and Bridget.

Members are willing to help stuff eggs and prepare prior to April 9th (school vacation week). Members discussed how many eggs to purchase, registration of participants, and where communications will be sent (flyers, Facebook event, school distribution).

Ideas for future events included:

- Having tickets to get to choose a stuffed animal, outdoor toys, etc. other large item
- Recreational items for raffle (movie tickets, Fishercats or Nighthawk tickets)

Summer Programming Discussion

- Do we need to look at what else might be able to accommodate the displacement of students from the EVS Summer Program?
- Recommendation for developing a Middle School adventure ('tween') camp for 5-8th graders. (Woodworking camp?)
