

Zoning Board of Adjustment
Enfield, New Hampshire

SIGN PERMIT APPLICATION

Instructions

1. Read over the sign regulations in the Enfield Zoning Ordinance (Article IV, Section 408) and/or meet with the Zoning Administrator to be sure that the sign you are planning to erect is permitted.
2. Fill out the information below.
3. Supply two (2) sketches:
 - a. One sketch showing the signs and its dimensions
 - b. One sketch showing the location of the sign on the property:
 - If the sign is free-standing, show the distance of the sign from the street lot line and from the nearest side lot line
 - If the sign is building-mounted, show the location of the sign on the building and the length of the building frontage on the right-of-way.
4. Submit this application to the Zoning Administrator with the required fees (see the Zoning Board of Adjustment fee schedule).
