Details:

As part of the Enfield Police Departments bicycle safety program, in conjunction with Drummonds Cycle's, we are conducting a cycling skills clinic. This event is a simple and fun activity to teach your child important bicycle safety lessons, including helmet fit, bicycle inspection, rules of the road, and bike control. The cycling skills clinic offers a safe learning environment to practice skills and problem-solving. If the principles of bicycle safety are followed by both children and their parents, by both bicyclists and motorists, many bicycle crashes can be prevented.

The cycling skills clinic will take place this Saturday, September 26, 2015 from 9 a.m. to Noon in the parking lot of LaSalette Shrine, 410 Route 4A, Enfield, NH.

Your child will need to bring a bicycle and bicycle helmet for the course. To register your child for the event and to receive the release and waiver forms, please email Det Sgt Ken May at kmay@enfield.nh.us.

Please direct questions to Det Sgt Ken May of the Enfield Police Department, 603-632-7501.
