PRESS RELEASE

Release Date/time: September 30, 2015

Released by: Chief Richard A Crate Jr

What: (Speed) Radar Trailer

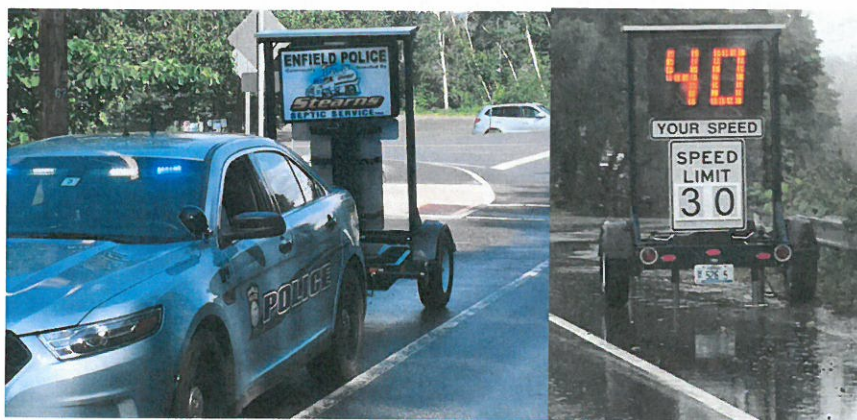

Where: Enfield, New Hampshire

Details:

The Enfield Police Department recently purchased a "Radar Trailer" to monitor and combat complaints of speeding vehicles on our highways.

Many of the residents and those passing through Enfield may have already viewed the unit that displays the miles per hour of the oncoming vehicle. Travelling an unsafe speed results in the lights flashing and red and blue lights are also activated.

The Enfield Police Department thanks Sterns Septic Services, Inc., for their generous donation and making this valuable piece of equipment possible for the safety of our residents.
