RFQ Addendum

RE: Extension and Project Date Change

The Town of Enfield has received word from the Federal Highway Administration that an approval has been granted that will allow us to relax the schedule originally posted in the RFQ of having final engineering and all funds obligated by August of 2024. This change will allow for a more normal schedule with final engineering and contractor selection being expected in the 2025 timeframe. Because of this scope change, The Town of Enfield is extending the RFQ deadline **Until 12:00 on Friday August 4, 2023**. All other information and instructions in the RFQ will remain unchanged.

Sincerely,
Ed Morris
Town Manager
Enfield. NH
