### Disposal of Special Materials

**Bulky Items** such as mattresses, furniture and wood products: Not accepted curbside or at the Enfield Transfer Station & Recycling Center. Take directly to the Lebanon Landfill. Weight Tickets are required and cost is based on the weight of items.

**Dead Animals:** Generally acceptable to bury on owner's property. Herds and certain other situation may require Health Officer (632-4343 x 5426) and veterinarian assistance.

**Household Hazardous Wastes:** Take to the next special Household Hazardous Waste collection.

**Construction/Demolition Debris:** Not accepted curbside or at the Enfield Transfer Station & Recycling Center or There are three options available for these materials:

- Lebanon Landfill, 370 Plainfield Road, West Lebanon, NH. Call 448-6486 or visit their website: <https://lebanonnh.gov/450/Solid-Waste-Recycling>.
- Hammond Grinding & Recycling, 11 Hammond's Way , Canaan, NH can accept construction & demolition debris, concrete, shingles, metals, stumps & brush . Call 523-4353 or visit their website at <http://hammondgrinding.com> for more information.
- Casella at their transfer facility located at 40 N Labombard Rd., Lebanon, NH. (603) 838-3472

All three take commercial and residential volumes. Fees apply. Call facility for information on materials accepted and applicable fees. Contractor's should call ahead and get accounts set up before using the Hartford facility.

### Household Hazardous Waste & Medicine Collection Schedule

See Town of Enfield Website or Upper Valley Lake Sunapee Regional Planning for current year details.

## Town of Enfield

### Solid Waste & Recycling Program Guide

The Town of Enfield provides solid waste services for Enfield residences via curbside pick-up of household waste and zero-sort recycling, a drop-off service for recyclables, household waste and automotive waste, i.e. used oil & filters, at the Enfield Transfer Station & Recycling Center, seasonal yard waste disposal at the Enfield Public Works Facility and, in cooperation with regional facilities, collection of hazardous wastes, demolition debris and other items.

### Curbside Rubbish & Zero-Sort Recycling Collection

Curbside pick-up of residential, general household waste and recycling takes place one day every other week for most households. If you don't know your pick-up day you can find it on the Town's website, along with more information about our Solid Waste & Recycling Program at <https://www.enfield.nh.us/solid-waste-recycling> or call the Enfield Town Manager's Office at 632-5026. Rubbish must be left at the curb in Town provided trash and recycling containers only, no later than 7:00 AM the morning of your scheduled pick-up.

**Leaving rubbish overnight is discouraged. You are responsible for cleaning up rubbish scattered by animals. All non-Town provided containers are not acceptable containers and will not be picked up.**

If you have a situation regarding pick-ups which require special attention or your rubbish was missed even though it was curbside by 7:00 AM, please call the **Enfield Department of Public Works** at **603-632-4605**.

FILMS, OR TARP

WOOD, WASTE,  
OR TIRES

DISPOSABLE  
ITEMS

WAXY COATED  
PAPER ITEMS

CERAMICS OR  
BAKING GLASS

## Enfield Punch Cards & Lebanon Punch Cards

Enfield has instituted a punch card system for the disposal of items for which a fee is assessed (see next page for a current list of fees). Enfield Punch Cards cost \$25 and can be punched up to 5 times in \$5 increments.

Lebanon Punch Cards are required for disposal of items at the Lebanon Landfill. Lebanon Punch Cards cost \$20 and can be punched up to 10 times. Costs for disposal vary by item. Enfield residents will also need a Lebanon Landfill Permit to use the landfill. For more information contact the Lebanon Landfill at 448-6486 or visit their website: <https://lebanonnh.gov/450/Solid-Waste-Recycling>.

Enfield Punch Cards and Lebanon Punch Cards can be purchased with cash and personal checks (made payable to "Town of Enfield") at the Town Offices, 23 Main Street, during regular office hours.

Enfield Punch Cards and Lebanon Punch Cards can be purchased by check only—NO CASH— for a limited time at the Enfield Transfer Station, 39 Lockhaven Road.

## Accepted at the Enfield Transfer Station & Recycling Center

\*\* Some fees may apply. Please see Fee Schedule on last page of this Guide. \*\*

**Appliances:** Large appliances are accepted. Telephone the Transfer Station prior to transport to ensure we have room to take it (632-5208). Fees apply for appliances containing CFC's such as refrigerators, freezers and air conditioners—see fee schedule. **Per State law, doors must be removed on all refrigerators and freezers prior to drop-off.**

**Automotive Batteries:** Are now accepted at our Recycling Center

**Automotive Filters:** Drain oil out as much as possible

**Batteries:** **Mercury, NiCad and lithium rechargeable batteries.** (Dry cell alkaline batteries are now made without harmful substances like mercury. Dispose of in regular household waste.) NiCad batteries ONLY from cordless tools, appliances, camcorders, telephones, toothbrushes, etc. All should be recycled. Separate from other batteries. Cover contact area with electrical tape. See attendant if you have questions.

**Computer Components, Televisions & Electronics:** No special preparation. Ask attendant about proper placement of these items at the Transfer Station & Recycling Center. Fees apply—see fee schedule.

**Fluorescent Lamp Tubes:** All sizes and shapes. Store and package your bulbs in the original cardboard box, if possible. Broken or cracked bulbs are not recyclable.

**Oil:** **Waste oil**—motor oil, gear oils, transmission fluid and brake fluids only. Bring in clear or translucent plastic containers with lids, e.g. plastic milk jugs. Oil mixed with contaminating fluids like antifreeze and gasoline cannot be accepted. Oil filters are also accepted.

**Paint:** Dispose of **Latex Paint** by allowing it to dry out completely. You can use kitty litter to speed the process. Dispose of latex paint in your trash. **Oil Paint** should be taken to the next household hazardous waste collection.

**Scrap Metal:** Bicycles, lawn furniture, desks, fences, bed springs, metal shelving, etc. Other acceptable items include oil tanks or gas tanks if cut in half and free of contents, mufflers and tailpipes, wire cable and metal strapping in clean steel drums, 55 gallon drums if tops are off and free of all fluid residue.

UNACCEPTABLE ITEMS include sealed containers of any kind, auto air bag canisters, tires (see separate listing), wood, paper, plastic, dirt, garbage, glass, parts and appliances from which oil flows or drips, machinery or engines containing oil of any kind, hydraulic hoes, wet or dry transformers, capacitors, or ballasts, and metal borings, turnings or shavings.

**Tires:** Car, light truck and equipment tires are accepted. Tires must be removed from rims. Fees apply—see fee schedule.

**Pressure Cylinders:** Propane cylinders and fire extinguishers are accepted. Fees apply, see fee schedule.

**Solar Panels:** All sizes of solar panels are accepted. Fees apply, see fee schedule.

## Permit Stickers

An Enfield vehicle permit sticker must be affixed to the window of your car or truck on the side window behind the front passenger's seat, or with regular cab pick-ups in the lower corner of the rear window behind the passenger. Permit stickers are available, free of charge, at the Enfield Transfer Station & Recycling Center or Enfield Town Offices. Proof of residency or property ownership is required. Enfield permit stickers also permit you to use the town beach parking lot on Mascoma Lake. **Permit stickers are required for access to the Transfer Station & Recycling Facility, the Brush & Yard Waste Recycling Facility and the resident Sand Bin.**
