Dear Enfield Residents:

I want to extend a sincere “thank you” to all members of the Enfield community who took time out of their busy weekend schedules to participate in the Annual Town Meeting deliberative session on Saturday.

“Town Meeting” is a sacred tradition in New England local government, and citizen participation and thoughtful engagement is critical to its success. By coming out and expressing your support, concerns and wishes for the Town at this annual forum, you help ensure that our municipal budget, capital plan, zoning ordinances, policies, and institutions accurately reflect the values and priorities of the community.

Just like any community, Enfield faces some challenges, many of which were openly discussed at the meeting on Saturday. However, every challenge presents an opportunity. I am excited about what is in store for the coming year, and very much look forward to continue working with the town’s dedicated staff, board and committee members, volunteers, and residents to help make Enfield the best community it can be.

In closing, I would just like to again say...

THANK YOU!!

Warmest regards,

Ryan J. Aylesworth
Town Manager
