ARTICLES

Article 2: Are you in favor of the adoption of Amendment No. 1 for the Town of Enfield Zoning Ordinance as follows?

Revise the definition of Accessory Dwelling Unit to meet the updated Statutes.

Accessory Dwelling Unit: A single apartment of no more than 800 square feet, containing no more than one bedroom and one bathroom, must be connected to ~~the main~~ a **single family** dwelling by enclosed weather-tight space with continuous roof and continuous foundation. The apartment and main dwelling are exempt from district acreage density requirements and must remain *under one ownership*.

Revisions to State Statutes RSA 674.71 & 72 revise language pertinent to accessory dwelling units by excluding certain types of structures from the requirement to allow accessory dwelling units in districts that allow single family homes.

Add the following definition to the Zoning Ordinance:

Single-family dwelling: A principal, detached residential living unit which stands apart from other buildings, except accessory buildings, is not a condominium as defined in RSA 356-B:3, V, is not manufactured housing as defined in RSA 674:31, and provides independent living facilities for one or more persons, including provisions for sleeping, eating, cooking, and sanitation.

Article 4: Are you in favor of the adoption of Amendment No. 3 for the Town of Enfield Zoning Ordinance as follows?

Add Section 402 O. to the Conservation District (C)

O. In the Eastman Subdivision as shown on Tax Map 51, existing lots 1-127, no structure shall be placed, located, or constructed within fifty feet from the seasonal high water line of any river, stream, wetland, lake or public pond, and no dock may be located nearer than 25 feet from a side lot line. Dry hydrants, culverts and bridges may be permitted by Planning Board and with State wetland permits as required

The Conservation District requires 300 ft. separation from water bodies and wetlands. The Eastman District pre-dates zoning and is in the Enfield Conservation District. The revised language allows new construction in Eastman to be subject to the same setbacks as other Residential Districts in Enfield.
